LETT'S MAKES GOOD

NINETEEN YEAR OLD GLENDALE LAD MAKES OFFICERS' TRAINING SCHOOL

Mr. and Mrs. C. J. Letts, 1410 W. First street have just received a most enthusiastic letter from their son, Charles W., who is a 1st Sergeant at Camp Lewis to the effect that he has been selected for the officers' training camp. After three months' training Charlie will be a 1st lieutenant if he completes the course successfully. He has emphatically expressed his determination to make good, and judging from the past he will do so. Charles is just nineteen years old. He has been at Camp Lewis for a year and eight months and never in all that time has he written a word of dissatisfaction or criticism of conditions there to his parents. He speaks in the very highest praise of the officers and men at Camp Lewis and says everything is arranged for the pleasure and comfort of the men. No doubt his unbounded enthusiasm in regard to all that pertains to the army has had a large part in his advancement. Six months ago he was made 1st sergeant and since that time he has been studying diligently for the officers' training camp. Charlie's former schoolmates in Glendale will be glad to hear of his good fortune.

KNITTING CHAIN

For some time in the East a chain of knitting parties has been a favorite method of raising money for the Red Cross. The idea has been transplanted to Glendale and the first of these parties was held in Glendale Friday afternoon by Miss Elizabeth Ainsworth at the home of her sister, Mrs. H. O. Brooks, 103 North Louise street.

Twelve ladies who are knitters for the Red Cross were invited, each of whom contributed 25 cents. Each of these twelve ladies will in turn give a knitting party at which eight other ladies who were not at the first one will be guests. Each of the eight guests will in turn give a party for four other ladies. This will complete the chain and if carried out completely will yield \$123 in money.

This particular chain was started to provide a special fund to supply the emergency needs of our home men.

Light refreshments were served consisting of tea and wafers. Guests who enjoyed the function and who will carry on the chain were, Mesdames H. E. Bartlett, R. M. Brown, Frederick Baker, George Carter, Oliver Clark, Lillian Dow, Blake Franklin, Annie Fanset, C. E. Heinen, Mrs. Seelye, Mrs. Wintersgill and Mrs. C. M. Ainsworth.

SUNDAY SCHOOL LUNCHEON

The regular monthly meeting and luncheon of the Sunday School Board of the First Methodist Church of Glendale was held Thursday evening in the social hall of the church edifice at 6:30 o'clock.

At the close of the luncheon Rev. Hugh C. Gibson, Conference Secretary of Sunday Schools, gave a fine address on Sunday School work in various departments and also had a fine exhibition of hand work which he has collected in visiting Sunday Schools. It consisted of books and papers which had been made to illustrate lessons and hymns. "More Effective Sunday School Work" was his general theme.

Following the luncheon the usual routine of business covering the month's work of the Sunday School was transacted.

INTERMEDIATE P.T.A.

The Parent-Teacher Association of the Third Street school will meet Monday in the library at 3:15. The speaker will be Dr. William W. Hush, field director of the Pacific Division of the American Red Cross.

This should prove a particularly interesting meeting to parents at this time when all our schools are taking up the work of the Junior Red Cross.

Mrs. M. E. Hitchcock will furnish the music for the occasion.

ART AND TRAVEL SECTION

The Art and Travel Section of the Tuesday Afternoon Club will meet at the home of the curator, Mrs. Charles M. Turck, 521 N. Glendale avenue, Tropico, Monday, January 14th, at 2 p.m.

The subject will be Versailles, its gardens, fountains and palaces. A large attendance is desired and every member of the club who is interested will be welcome.

WEATHER FORECAST—Cloudy tonight and threatening Sunday. Not so cold. Northwesterly winds.

LOCAL FARM BUREAU

T. W. PRESTON PRESIDES AT MEETING—DR. WEBBER DELIVERS ADDRESS

The meeting held at the Glendale City Hall Friday evening to complete the organization of a local unit of the County Farm Bureau, proved of unusual interest and resulted in the election of the following officers:

L. B. Doan, Burbank, President; H. P. Coker, of Glendale, 1st Vice-President;

S. W. Shauell, of San Fernando Boulevard, 2d Vice-President;

Mrs. Alexander Mitchell, (Glendale), 3d V-President;

Mrs. Marie Larkey (Casa Verdugo) Secretary-Treasurer.

The meeting was called to order by T. W. Preston, Chairman of the committee appointed by Judge Gavin W. Craig December 14th to promote the organization, other members of the committee being: Dr. Nat Green, W. W. McElroy, Alexander Mitchell, L. B. Doan, J. W. Usilton and Mrs. Marie Larkey.

After very brief introductory remarks, the chairman introduced the speaker of the evening, Dr. H. J. Webber, at the head of the Citrus Experiment Station at Riverside, who has been appointed by the Federal and State authorities to form these farm bureaus in the different districts.

Doctor Webber stated that the Los Angeles County Bureau, which was organized two or three weeks ago, has the largest membership of any County Bureau in the state and probably the largest of any county in the United States. It ought to be interested in such a bureau, he declared, because it is the largest producer of agricultural products (value of crops considered) of any county in the United States.

He stated that the idea of the Farm Bureau was to carry to the farmer on his own farm a knowledge of the most improved methods of farming and instruction which will enable him to meet the special problems which each farmer has to meet and which have to do with his particular soil and the crops he can grow which are best adapted to his soil and climatic conditions. This can only be determined on the ground. He also explained that the Farm Adviser and his assistants under the Farm Bureau organization may not always possess the special information desired, but it will be their duty to obtain the information and inform the farmer. The idea of the local units, as explained by Doctor Webber, is to bring farmers together to unload their problems and learn of each other, and inform the Farm Advisers concerning the things in which they wish help or information. While there have always been horticultural and agricultural associations of state and national importance which have been of great service to producers, no organization, Doctor Webber declared, has had the "follow up" system of the Farm Bureau. That, and the fact that it has the fostering care and financial support of the National and State government, gives it an advantage in his eyes which no independent organization could have. Its influence, when extended over the United States will enable the farmers to co-operate in buying, marketing, securing better roads and other improvements, will be tremendous, he declared. He said his only fear for it is that it may become a monopoly.

Farm Bureaus have been organized under the provisions of the Smith-Lever bill which provides for an appropriation by the National Government of \$4,500,000 with allotments to the different states which must in turn appropriate an amount equal to the Federal allotment. Counties in turn appropriate an amount sufficient to pay the salaries of a Farm Adviser and his assistants. The number of these assistants are in proportion to the farmers to be served. Los Angeles County, with a farmer population of 8000 is allotted five assistants in addition to the Farm Adviser who receives a salary of \$2000, his assistants receiving \$1000 each. Members of the local units are expected to pay \$1 per year and this fund is used for local publicity and printing.

Doctor Webber paid a high tribute to Professor Coit, who he said, had been appointed Supervisor of this district and who arrived in Los Angeles Friday. He received his early training in North Carolina, later served as assistant professor of Horticultural at Cornell, from there went to the Agricultural College at Tucson. For several years he was connected with experimental work at Pomona and Whittier in connection with the citrus industry, and was finally transplanted to the State University of California at Berkeley and put at the head of the Citrus Culture department. He pronounced him

POPE MAKES PEACE MOVE

CALLS ATTENTION OF EMPEROR KARL TO PRESIDENT WILSON'S WAR AIMS MESSAGE

(Special Service to Glendale Evening News)

ROME, January 12.—Intimations that Pope Benedict diplomatically called the attention of Emperor Karl of Austria to President Wilson's war aims message and suggested that he seek to influence the Kaiser in the consideration of peace terms, was made in influential Vatican circles today.

It is reported that the Holy Father will eventually gather up the threads of the allies' terms and those stated by the Central powers and from these try to weave a fabric that will serve as a groundwork for a peace council.

The Pope regards America as the most democratic element that could be a party to any peace conference and the party least likely to insist on rigorous terms.

TO CONTINUE PEACE PARLEY

BREST-LITOVSK NEGOTIATIONS TO BE RESUMED TO REMOVE CENTRAL POWERS' PRETEXT SAYS TROTSKY

(Special Service to Glendale Evening News)

PETROGRAD, January 12.—"In order to remove the Central powers' pretext that they will be forced to discontinue peace negotiations if Russia's demands for the transfer of negotiations to neutral soil is insisted upon," Foreign Minister Trotsky announced today that he had decided to proceed with the peace parley at Brest-Litovsk.

The acceptance by the Central powers of the proposal to continue the Russo-German armistice on all fronts for an additional month was also announced. The armistice heretofore agreed upon expires today.

STRINGENT FOOD REGULATIONS PROBABLE

CONFERENCE BETWEEN HOOVER AND CONGRESSIONAL LEADERS MAY MEAN COMPULSORY "LESS" DAYS

(Special Service to Glendale Evening News)

WASHINGTON, January 12.—Stringent regulations of food consumption in America, including compulsory wheatless and meatless days, is probable as a result of a conference today between Food Administrator Hoover and Congressional leaders.

STORMS SWEEP EAST AND MIDDLE WEST

BLIZZARDS AND TORNADOES SWEEP EAST WHILE LOW TEMPERATURES PREVAIL—FUEL SHORTAGE SERIOUS

(Special Service to Glendale Evening News)

CHICAGO, January 12.—The center of the storm that has been sweeping the country for the past three days extends today from the upper lake region to the St. Lawrence valley and south to Florida all along the Atlantic coast.

Transportation is paralyzed and the suffering is intense. Cities are marooned and are facing a serious shortage of food and fuel. Intense cold will continue until Monday it is predicted.

Tornadoes have swept eastern Alabama and Central Georgia with loss of life and destruction of property.

Indianapolis reports the lowest temperature today, 20 below zero.

LICENSE APPLICATIONS DESTROYED

SECTION OF THE STATE MOTOR VEHICLE DEPARTMENT BUILDING AT SACRAMENTO BURNED THIS MORNING

(Special Service to Glendale Evening News)

SACRAMENTO, January 12.—The Motor Vehicle License applications were destroyed by fire when the rear room of the State Motor Vehicle department burned this morning. The fire started from an oil stove.

FOUR KILLED AT CAMP FUNSTON

(Special Service to Glendale Evening News)

CAMP FUNSTON, Kansas, January 12.—One man unaided killed four and severely wounded the fifth when the army bank was robbed this morning. The bandit escaped with considerable money and Liberty bonds.

Kerney Warnoll, the cashier, declared this afternoon when he regained consciousness for a short time that the robber invaded the bank at an early hour this morning and beat him and his four companions to death with an ax.

RUSSIANS PREPARE TO CONTINUE FIGHTING

(Special Service to Glendale Evening News)

PETROGRAD, January 12.—The Bolsheviks are preparing for a possible resumption of war.

A decree for mobilizing all able bodied men under 32 years is expected shortly despite the report that peace negotiations are to be resumed at Brest-Litovsk.

All leaves granted Russian officers have been rescinded, and all possible operations to continue fighting are under way.

MAGAZINES AT LIBRARY

LIST HAS BEEN CAREFULLY REVISED TO MEET NEEDS OF THE TIMES

The list of magazines to be received at the Glendale Library for the year 1918 has been carefully and conscientiously revised to meet the present needs of the reading public. Magazines are bearing a more important part in literature than ever in these days when events move so quickly that it is impossible, without unlimited appropriations to buy reference books that are strictly up to the hour on world conditions and events. Therefore it has been necessary in view of the many requests that have come for magazines reflecting the spirit of the times to revise the list. Mrs. Danford states that she has done this almost prayerfully that the money to be expended might gratify the demands of the greatest number of people. Of course it has been impossible to cater to individuals but any request of a general nature is carefully considered.

Printed blanks may be secured at the library on which to make requests for books or magazines and these are always given careful consideration.

Among the magazines selected for this year will be found Red Cross and nursing magazines and Army and Navy for which there is great demand.

Surely all the patrons of the library will feel that their tastes have been considered in the following list:

Adult Magazines

ENSIGN AND MRS RYERSON

Letters from Mrs. Harold Ryerson of Madison Court convey the information that Ensign Ryerson is now in a naval hospital at Norfolk where he has undergone a slight operation. He will probably not be able to join his ship for a month or six weeks. Mrs. Ryerson has had an interesting experience as the guest of friends in Plymouth (Mass.) who have a very large cranberry marsh and who are obliged to import Portuguese labor from Madeira to aid in carrying it on. She has also visited friends in Boston, Cambridge and other historical places. She writes that Ensign Ryerson was in Norfolk the day of the fire and explosion but left there just eight hours before it occurred. He lost a suit of clothes but was thankful to have escaped so easily.

POSTPONEMENT

As announced in a previous issue, Knights of Pythias intended to put on "The Lesson of Friendship" as part of their ceremonial in connection with installation of officers next Thursday night, but learning that the Pythian Sisters had already engaged the Drill Team of Purity Temple, Los Angeles for their own installation, which will be held in conjunction with that of the Knights, and as the two would be too much for one evening, the Knights chivalrously relinquished their plan and will defer the "Lesson of Friendship" until February 28th when the Convention of Knights of Pythias is to be held here.

DR. MILLS RESIGNS

ILL HEALTH COMPELS EPISCOPAL RECTOR TO GIVE UP WORK HERE

At the annual parish meeting of St. Mark's Episcopal church Thursday evening Dr. C. Irving Mills, rector of the church for the past five years handed in his resignation to take effect in a few weeks as soon as certain matters can be arranged. Ill health compels Dr. Mills to this course to the sincere regret of his congregation.

At Thursday evening's meeting the present members of the Vestry were re-elected for another year. The officers chosen were:

Harry H. Parkr, Senior Warden;
Louis G. Scovern, Junior Warden;
Stephen R. Marshal, Secretary;
Harry H. Parker, Senior Warden;

TWO FIRE FIGHTERS

Messrs. Lanterman and Flint of the Exemption Board are somewhat exhausted this morning as a result of strenuous exertions Friday afternoon in company with about sixty other men fighting a mountain fire in La Canada which they say originated in Glendale near the garbage dump in a canyon east of Verdugo Canyon. They declare that the Glendale fire department did nothing to check the blaze and La Canada was left to fight it alone because wires were down so they could not telephone for assistance which Pasadena has always given in such emergencies. They quote the citizens of La Canada as saying that if Glendale does not take better care of the fires which originate on its side of the line, La Canada will make the City of Glendale responsible for the damage that results from fires which cross the line.

DEATH OF W. J. PIERCE

Death came this morning at 8:15 o'clock to W. J. Pierce of 431 North Glendale avenue who passed away at the age of fifty-one years, after an illness of about twelve weeks.

He was a man of considerable prominence in the business and social world, was president of the Arden Plaster Company of Los Angeles and a Thirty-second Degree Mason. Two years ago last October he became a member of the community and has since that time resided in Tropico and Glendale.

He is survived by his wife, Alice, and his daughters Gertrude and Margaret Pierce of this city, by a brother at Huntington Park, and by two sisters and a brother in Oklahoma.

Funeral services will be held at Los Angeles, Monday at 2 p.m. The remains will be cremated at Forest Lawn Memorial Park where private services will be held.

EXEMPTION BOARD

Mattison B. Jones was in charge of work at Exemption Board headquarters and Messrs. Olin Spencer, A. S. MacKay and W. R. Flint were able to handle their Questionnaires.

Chairman Lanterman stated that about 600 registrants are yet to be heard from and that the last day, unless extensions have been granted, will be next Thursday.

Of the appeals filed with Appeal Board about a score have been returned and of these all but one sustain the rulings of the local board.

JOINT INSTALLATION

At a big all-day meeting of the N. P. Banks Post and Corps, held last Friday in G. A. R. Hall, officers were installed for the twenty-third year of the Post, and for the twentieth year of the Woman's Relief Corps. For the organization last named it was really an anniversary which was celebrated with some special features, as the Corps was formed twenty years ago in January.

Post officers installed were:

Commander, C. H. Clark,
Senior Vice Commander, O. H. Jones,
Junior Vice Commander W. B. Pratt,

Officer of the Day, R. M. Taylor,
Officer of the Guard, J. B. Hickman,

Surgeon, A. H. Guernsey,
Chaplain, C. R. Norton,
Quartermaster, J. J. Weiler,
Adjutant, T. M. Barrett,
Sergeant Major, R. D. Goss,
Quartermaster Sergeant, George W. Sanford,

Patriotic Instructor, C. R. Norton,
Color Bearer, Thomas Gillette.
Officers of the Woman's Relief Corps were:

President, Mrs. Louise Purnell,
Sr. Vice Pres't., Mary Milligan,
Jr. Vice Pres't., Margaret Hibbert,
Secretary, Mayme Pollock,

Treasurer, Winona Crawford,
Chaplain, Mrs. Burns,
Patriotic Instructor, Mrs. Mary Borthick,

Guard, Mrs. Pearl Gillette,
Assistant Guard, Julianna Hayes,
Conductor, Alma Dutton,
Assistant Conductor, Jennie Phillips,

Musician, Queen Danner,
Press Correspondent, Mrs. J. L. Ripley,

First Color Bearer, Edith Bruck,
Second Color Bearer, Ada Atkinson,

Third Color Bearer, Quintina Hammond,

Fourth Color Bearer, Margaret Sanford.

Mrs. Louise Purnell was also re-elected trustee of the Corps.

Officers of the Post were installed at 10 a. m. by T. E. Kanouse of Los Angeles, Past Commander.

The installation of officers of the Corps was also beautifully done, Mrs. Alma Dutton serving as Install-

ing Conductor, Mrs. Susie Peck as Installing Officer.

The attendance was the largest that has ever been seen at a similar function there being many guests from Los Angeles and elsewhere who are prominent in other lodges, also several Department Officers.

The mid-day dinner was practically a banquet, at which covers were laid for about two hundred, and the floral decorations were unusually beautiful.

The varied program of addresses during the afternoon was greatly enjoyed, many members of other posts and corps responding with telling short speeches.

President Louise Purnell presided with grace and dignity at the afternoon session and made a fitting speech of acknowledgment of the honor conferred upon her, as did also Commander Clark.

Robert Taylor described the organization of the Corps twenty years ago and said he could not sufficiently thank Post and Corps for what they had done for him during all these years. It was the twenty-third year in which he had served as Officer of the Day at an installation.

NOT TIME YET TO MOURN

Two small girls were "playing house" in an apartment house hall. "Good morning, Mrs. Jones, I just came over to see you," said Mrs. Smith (aged 7).

"Oh, I'm so glad to see you," replied Mrs. Jones (aged 8). "How are you?"

"Oh, Mrs. Jones, I'm in such trouble; Mr. Smith just died," said Mrs. Smith.

"That's too bad," commiserated Mrs. Jones. "Poor Mr. Smith."

"But the funeral isn't until three o'clock so we have plenty of time to go to the movie show," said Mrs. Smith.—Ex.

SAFETY FIRST

Minority Leader Gillett of Massachusetts received the following from a constituent recently:

"I wish you would send me one of your safety razors this year instead of my usual allotment of free seeds. My garden doesn't grow half so fast as my beard, so I prefer the razor, if it's all the same to you."—Washington Times.

RED CROSS NOTES

Red Cross quarters in the Bank of Glendale building and the approaches thereto were thoroughly scrubbed and the floors oiled this morning. The placing of partitioning railings was being completed and everything calculated to facilitate the work of the chapter was going forward.

Officers are disappointed because as yet no offers of rugs or furniture for the Reception Room have been received. This will be an excellent place for Red Cross members to meet for rest or conference, and the early furnishing is very desirable.

Mrs. H. E. Betz, Chairman of the Ambulance Pillow Committee, reports that she has received generous response to her appeals for assistance in ironing pillow tops and now has all the help she can use.

The First Aid class which is under the instruction of Dr. Chase, will meet next Monday evening at the Red Cross headquarters.

Tuesday evening the Home Nursing class, of which Mrs. H. D. Thaxter is chairman and Mrs. Eva Tuit instructor, will meet at headquarters.

Members of Chapter L of the P. E. O. will gather next Wednesday at headquarters to sew for the Hospital Garment Department under direction of Mrs. Lawrence Ellis, Chairman.

No response has come as yet to the appeal for sewing machines for the Red Cross. These are urgently needed.

It is desired that all finished work either hospital garments or knitted articles shall be turned in not later than Monday that they may find a place in the shipment which is to be dispatched to San Francisco next Tuesday.

Citizens are reminded that monthly payments can be turned in to headquarters any time and that membership can always be secured there.

Mr. Mills of Los Angeles, was a caller on Tuesday.

Mrs. Brissenden, daughter Elizabeth and son Richard, left on Friday for Berkeley College for the spring term. Again are we sorry to see them go, but they will return in May or June. Elizabeth has been associated with the colony ever since its inception, in the Western Empire Office until now. The home place is rented to Mrs. Morrison of Los Angeles, for the next three months.

Miss Mitchell of Torrance, visited with Miss Gilmour on Wednesday, and left a donation for the French babies.

Select Your Studebaker NOW—and Save Yourself Some Money

While the government has set a maximum price on steel, all other materials entering into a car are climbing up and UP and UP.

We feel safe in saying that within a few months, all cars will be priced several hundreds of dollars higher than they are now.

Be sure that your car is guaranteed by a great company, a company of known responsibility—Studebaker gives a twelve months' guarantee.

Be sure that your car has behind it a nation-wide organization of dealers, and we are prepared to give you systematic, generous service.

You know us—and you know Studebaker. We are in business to stay. The Studebaker car is one of the biggest values on the market.

Not for years to come will you be able to buy a car so cheaply. In reality, if you need a car, it is the best kind of ECONOMY to buy NOW. And Studebaker is the car to select.

TUJUNGA

The Red Cross Auxiliary has succeeded in raising their number to over 50 members. The meeting on Friday was as usual a success. Coffee was served at noon. Nearly all the work brought from Pasadena was finished and ready to return on Tuesday. Those who preferred to work for the French Relief found plenty of work cut out for them. This branch will send in two or three boxes of work this week, also a box of metal will be turned into the Salvage Department Thursday.

The Misses Reed took the secretary of the Red Cross into Pasadena on Thursday to return the shirts and mules made at the last meeting and to bring out more work.

Mrs. Phoebe Place, of San Diego, returned to her home on Monday after a two weeks' visit with her sisters, Mrs. Marsten and Mrs. Johns.

Mr. and Mrs. Dean and Mrs. Fairfield were in Los Angeles Wednesday to carry the supplies to the French Relief and to purchase more cloth for garments, for both old and young.

Mrs. Green and family moved to Glendale on Monday. They are among our pioneers, and we are sorry to lose them. Mr. and Mrs. Jenkins who purchased the place will immediately improve the place and move into it. Let us speed the parting and welcome the coming ones.

Mr. Mills of Los Angeles, was a caller on Tuesday.

The windows of the Red Cross Shop at 318 Brand boulevard which advertise the wares desired and for sale there, are quite attractive. At this writing all preparations have been made for the serving of a fine cafeteria lunch of the sort that will appeal to business men and shoppers.

The \$25 received through the Glendale Chamber of Commerce from the Tournament of Roses as a prize for Glendale's Red Cross Float, is a very welcome addition to the funds of the organization.

LOCAL FARM BUREAU

(Continued from Page 1) worthy of the position to which he had been assigned and peculiarly fitted by his experience to be of service to Los Angeles County ranchers. He stated that the best book on citrus culture which has been published in the United States was written by Professor Coit.

After concluding his address Doctor Webber answered several questions propounded by members of the audience one of which related to the urgent need among farmers of help and protection in marketing crops after they have been raised so that their profit may not be wiped out.

Doctor Webber suggested that cooperation afforded by the Farm Bureau would greatly help in the solving of marketing problems and pointed out that it would be one of the great advantages of the organization.

W. F. Tower asked what help the Bureau would be able to give local individuals or organizations who were endeavoring to promote the cultivation of vacant lots and acres. In his opinion it would be more practical for officials to get busy with actual work than to spend time and money in conventions.

Doctor Webber explained that the main purpose of the Bureau is to stimulate production among actual farmers. The returns from the cultivation of vacant lots were too uncertain and too small to justify the expenditure of much personal time by farm advisers, though they would cheerfully contribute to the best of their ability. He also urged caution in encouraging boys to cultivate vacant lots because in most cases they would make failures and would be discouraged about undertaking agricultural work in future.

Doctor Webber was followed by Mrs. Marie Larkey who explained the provision for home demonstrators under the Farm Bureau, and expressed the hope that one of the five assistants under the Los Angeles organization would be a woman appointed to this work.

Doctor Jessie Russell made a speech in which she indorsed the work, pointing out its great value and the fact that it would cost the local organizations practically nothing since it is supported by National, State and County funds.

A recess was taken for the enrollment of members, after which officers were elected as announced above.

THE EPWORTH LEAGUE DRIVE

The Cabinet of the Glendale Sub-District of the Epworth League met with the president, Miss Bernice Wood, 125 South Kenwood street, Monday evening, January 7th.

The "Drive" that was launched a month ago was reported as progressing favorably, and more definite plans were laid for work among the students of the Glendale Union High School.

Miss Gladys Harding was named as chairman of a committee of High School students chosen from the Epworth Leagues of the First Methodist church, Glendale, Casa Verdugo, West Glendale, Eagle Rock and Tropico.

On Sunday evening, January 6th, Miss Wood conducted a Bible Study for 15 minutes at the First Methodist church and visited West Glendale and Casa Verdugo Leagues giving interesting talks in connection with the "Drive" to interest young people of High School age in some young people's religious organization.

The officers of the Sub-District are unanimous in the opinion that the best efforts should be used to discourage the desecrating of the Sabbath by the young people, also to discourage the indulgence in harmful amusements by them.

On account of the wickedness that exists at Venice and the influence it has on the young people of Southern California, it was requested that the Leagues of the Sub-District add Venice to their prayer list.

The Sub-District Cabinet will meet the second Monday evening of each month.

THERE WAS A POSTSCRIPT

A dentist had a patient with whom he had for years a friendly as well as a professional association, and when the patient called in to have a tooth extracted he was cordially received. "Will you give us a song?" the dentist suggested.

The patient instead gave a dramatic description of his recent dental pains and ended with an impassioned plea for instant extraction of the offending tooth.

"No, no!" said the dentist. "You're run down, my boy! Go and walk in the park for an hour."

"Won't do me any good," pleaded the sufferer, but the dentist insisted, and round the park the obedient patient went. When he came back he was duly anaesthetized and the deed was done. When he was leaving he shook the hand that had cured him and asked:

"Why on earth did you send me walking round the park?"

"You were run down and nervous," the dentist replied. Then he added, with a grin, "Besides, I'd no gas when you came!"

THE CHILEAN EMBASSY IN WAR-TIMES

WASHINGTON, Jan. 12—Senor Don Aldunate, the Chilean Ambassador is now facing the biggest job of his life.

German agents have concentrated their efforts on his country. Chile is to be made the center of German propaganda in South America—as a guarantee against German failure should the Argentine republic succeed in casting out the Teuton workers.

Far removed from intense South American politics—yet in intimate touch with the situation, the ambassador has thrust upon him the job of advising his nation on a political course that will alter the country's entire history—which ever way the decision is made.

Ambassador Aldunate—with his numerous staff—has just installed themselves in one of the capitol's palatial residences, at 2223 R. Street. There, in the quietness of Sheridan circle neighborhood, will be decided the tremendous policies that affect all western democracies, unless perchance, the Ambassador, like American envoys abroad before we entered the war—has already made up his mind on whether Chile is in the path of the Kaiser's world scheme.

Count Luxburg's messages indicated Chile must be brought to German sway.

IN THE PEN

MEAN OF DAD

"What is the name of that handsome prisoner?" asked the impressionable young woman.

"No. 2206, miss," replied the guard.

"How funny! But of course, that is not his real name?"

"Oh, no, miss, that's just his pen name." —Boston Transcript.
